## MAIA's Intelligent Solutions

Powered by MAIA Intelligence, Mondial IT Consultants (MAIA Consulting Partner) launched '1KEY Analytics for Tally' in Mumbai. Nearly 400 representatives from various industries like manufacturing, retail, trading and services attended the seminar to learn MIS reporting challenges and solution for Tally. The seminar offered solutions to improve and empower the business decisions of the operational users of different companies. There was a live demonstration of 1KEY Analytics for Tally, followed by a panel discussion on 'MIS Reporting and Data Analysis Success and Challenges.'
